Tuesday 8th September 2026

Dear Parents and Carers

Year 1 will be learning about old and new toys this term. To assist with the learning we have planned an in school workshop on Tuesday 6th October 2026.

The workshop is designed to introduce the children to our new topic of toys. They will be learning about toys from the past and present day, focussing on how they have changed over time. The children will also be learning about materials and their properties, looking closely at what materials the toys are made from and comparing them. The workshop will give the children an exciting opportunity to not only learn about the toys from the past but explore them and even have a go at playing with them.

I am sure you will appreciate that it is a great opportunity for the children to interact in a live lesson and we are therefore asking that you contribute towards the cost of this.

We are therefore asking that a payment of £6.00 is made via the My Child At School App no later than Friday 2nd October.

Please do not hesitate to contact a member of the Year 1 team, should you have any questions.

Many thanks for your continued support.

Yours sincerely,

The Year 1 Team
