Thursday 14th October 2026

Dear Parents and Guardians,

We hope this letter finds you well. We are thrilled to share that the Year 3 children have an exciting educational visit planned to Tyland Barn in the New Year! The day that this has been booked for is Thursday 14th January 2027.

This visit will bring our Science learning to life, linking closely with our topics on Rocks and Plant Nutrition and Reproduction. The children will have the opportunity to explore nature, investigate plants up close, and discover how rocks shape our environment – a hands-on experience that is sure to spark curiosity and wonder.

We will be leaving the school shortly after registration and plan to return before the end of the school day. To make the most of their day, please ensure your child brings:

- A packed lunch
- Plenty of healthy snacks to keep them energised
- A water bottle and healthy drinks to see them throughout the day

If your child is entitled to Free School Meals, the Contract Dining Company can provide a packed lunch. They will still require drinks and healthy snacks to see them through the day. Please complete the google form below no later than 1st January if you would like your child to be provided with a packed lunch

Packed Lunch Requirements

Clothing and footwear:

- Trainers or comfortable shoes, as we will be spending much of the day walking and exploring.
- Full School Uniform
- A warm jacket, hat, gloves and scarf as January can be cold and we will be spending a lot of time outdoors. Wrapping up warm will ensure they stay comfortable and enjoy the day!

The cost of this educational visit is £22.00 per student. This covers transport and the many activities that make this an exceptional experience. We have set up a payment plan, so you can pay in installments if needed. All payments must be completed by 1st January 2027.

We are confident this trip will be a highlight of the school year for Year 3, giving the children a chance to learn, explore, and make memories outside the classroom. If you have any questions or concerns, please don't hesitate to contact us.

We look forward to a fun adventure-filled day with your children at Tyland Barn.

Thank you for your continued support.

The Year 3 Team
